# InCIT 2025

## The 9th International Conference on Information Technology
(IEEE Conference Record Number #66780)

### November 12-14, 2025
### Phuket, Thailand and Online (Hybrid format)

# CALL FOR PAPERS

The 9th International Conference on Information Technology (InCIT2025) is a premier forum for sharing research in areas related to information and communication technologies. We believe that fostering research encompassing intelligent technology and innovation for the future of society is vital. Authors involved in these research areas are cordially invited to submit papers and present them at InCIT2025.

InCIT2025 will be held in a hybrid format, offering both physical and online participation options. The physical conference will take place in the beautiful city of Phuket, Thailand, providing an ideal opportunity for researchers to meet face-to-face, strengthen collaborations, and engage in valuable discussions. For those unable to attend in person, the online mode will ensure accessibility and enable remote participation from around the world.

The conference will be an excellent platform for participants to exchange and discuss new innovative ideas and research results, as well as explore future directions for cooperative research. It will foster collaboration between researchers and provide a stimulating environment for sharing knowledge and insights in the field of information technology.

We look forward to your participation in InCIT2025, either in person in Phuket or virtually through our online platform, as we come together to shape the future of intelligent technology and innovation for the benefit of society.

The 9th International Conference on Information Technology (InCIT 2025) is co-organized by IEEE Thailand Section (IEEE Computer Society Thailand Chapter), the Association of Council of IT Deans, and College of Computing, Prince of Songkla University. Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements.

## Important Dates

| Activities | | Date |
|---|---|---|
| (1st round) | Paper Submissions Deadline | 30 March 2025 |
| | Notification of Acceptance | 15 May 2025 |
| (2nd round) | Paper Submissions Deadline | 24 August 2025 |
| | Notification of Acceptance | 24 September 2025 |
| Camera Ready Submission Deadline | | 16 May - 6 October 2025 |
| Early Bird Registration | | 25 - 30 September 2025 |
| Registration | | 1 - 6 October 2025 |
| Conference Dates | | 12 - 14 November 2025 |

## The topics of interest for the conference papers include, but are not limited to:

- Agricultural and Industrial Informatics
- Artificial Intelligence and Data Science
- Blockchain and Smart Contract
- Cloud and Grid Computing
- Computer Educational Technology
- Computer Networks and Communications
- Database and Information Retrieval
- Health and Bio Informatics
- Health, Wellness, and Bio informatics
- Human Computer Interaction and Affective Computing
- Image Processing and Computer Vision
- Information Forensics and Security
- Internet of Things and Embedded Systems
- IT Project and IT Service Management
- Knowledge and Data Management
- Machine Learning and Intelligent Systems
- Metaverse and Virtual Reality
- Natural Language Processing
- Ontology and Semantic Web
- Pervasive and Mobile Computing
- Quantum Computing and Algorithms
- Software Engineering and Software Development
- Sustainable Computing
